

A Note from Ryan Steele

I am seeking the Democratic nomination for U.S. Representative for Ohio's 10th District. I am 28 years old, I currently reside in Beavercreek, and I am currently a pizza delivery driver. I have been married to my wife, Laura, for almost two years and I have spent the last four years earning a Bachelor's Degree in Liberal Arts from Wright State University. To earn this degree, I majored in Religious Studies, with a minor in Philosophy. I am proud to call myself a philosopher and I believe that we need more philosophers in Congress in order to help break up the gridlock that is currently gripping our government. I am also a former Libertarian and this ideology still informs my Democratic beliefs and positions. I believe that being well-versed in Conservative and Religious positions, coupled with my study of philosophy, gives me the ability to work with people of differing opinions and beliefs. I believe that I am the candidate who can bring the different camps of our political world together and I would appreciate your support and vote in the Democratic Primary on March 6th.

Thank you,

Ryan Steele, You're Next U.S. Representative!
