### Search Tips

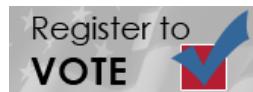

Can't find your information in our system?

- Are you registered to vote?
- Could you be registered with a derivative of your first name, ex. Bob or Robert?
- Could you be registered with a former last name?
- Could you be registered at a previous address in another Ohio county?

If you are unable to locate your voter registration information but think you are registered to vote and you have not moved outside of your county of prior registration, you may be eligible to cast a provisional ballot during in-person absentee voting period at an appropriate early voting location or the county board of elections, or on Election Day at the correct polling place for your current address that may be counted. We encourage you to check your registration status by contacting your local county board of elections. To find your polling place, [please click here](#) or call your county board of elections.
